

# The **Billboard Bike™** by Main Street Pedicabs, Inc.

A mobile billboard! The Main Street Billboard Bike™ is a great way to advertise. Our backlit ad-box grabs attention from blocks away.

The Billboard Bike™ takes the concept of Pedicabvertising to the next level by turning one of our proven trikes into a dedicated pedicab advertising and exposure platform. Their backlit ad-boxes can be seen for blocks. Hit the next high profile event, position outside impossible locations! Reliable engineering and superior workmanship are the hallmarks of the Main Street Pedicab. The Billboard Bike™ has a strong, TIG-welded 4130 Steel Alloy frame with a black powdercoat finish & heavy duty steel axles. Braking is provided by a

revolutionary hydraulic 8-3/4" rear disk brake and supported by a front V brake. All Main Street Pedicabs use a Shimano 21-speed drivetrain with a rear axle differential and indexed, grip-shifting. The Billboard Bike™ is shipped fully assembled and will be an integral part of your home or business for generations to come.

Braking is provided by a revolutionary hydraulic 8-3/4" rear disk brake and supported by a front V brake. A rear differential allows for independent wheel speeds and better maneuverability.

The Billboard Bike™ feature exclusive easy-access door for entry to mechanicals.

Main Street Pedicabs™ is the largest manufacturer of pedicabs in North America. Main Street Pedicabs™ are mountain-bike-style, tricycles sporting cabs with cushioned seats and available waterproof canopies. The pedicabs are designed to not only provide a fun, comfortable ride, but also, to make a great presentation for sponsors' advertisements. We offer many models to meet your needs. All prices are in USD and are for the base model. We ask for half of the total as a deposit to begin assembly. Balance is due prior to shipping. We accept Bank Checks, Money Orders, Visa and Mastercard. All Main Street Pedicabs™ are made in our Colorado, USA factory at 11811 Upham St. #9 Broomfield, CO 80020.
