

The **Billboard Bike™** by Main Street Pedicabs, Inc.

A mobile billboard! The Main Street Billboard Bike™ is a great way to advertise. Our backlit ad-box grabs attention from blocks away.

The Billboard Bike™ takes the concept of Pedicabvertising to the next level by turning one of our proven trikes into a dedicated pedicab advertising and exposure platform. Their backlit ad-boxes can be seen for blocks. Hit the next high profile event, position outside impossible locations! Reliable engineering and superior workmanship are the hallmarks of the Main Street Pedicab. The Billboard Bike™ has a strong, TIG-welded 4130 Steel Alloy frame with a black powdercoat finish & heavy duty steel axles. Braking is provided by a revolutionary hydraulic 8-3/4" rear disk brake and supported by a front V brake. All Main Street Pedicabs use a Shimano 21-speed drivetrain with a rear axle differential and indexed, grip-shifting. The Billboard Bike™ is shipped fully assembled and will be an integral part of your home or business for generations to come.

Braking is provided by a revolutionary hydraulic 8-3/4" rear disk brake and supported by a front V brake. A rear differential allows for independent wheel speeds and better maneuverability.

The Billboard Bike™ feature exclusive easy-access door for entry to mechanicals.
