

The Broadway Pedicab™ by Main Street Pedicabs, Inc.

The Main Street Broadway Pedicab™ provides an extra 5.5" of seating room and standard triple clamp fork for a more luxurious 3 passenger ride.

We took our proven pedicab chassis and put on an even larger passenger compartment. The Broadway Pedicab™ brings integrated fenders and spacious 41" three person seating to the pedicab line. The Broadway Pedicab™ has a strong, TIG-welded 4130 Steel Alloy frame with a black powdercoat finish & heavy duty steel axles. The passenger cabs are lightweight fiberglass with steel sub-frame and are available in a variety of colors. The seats have comfortable (black or tan) vinyl upholstery with padding and a seat belt is standard. Braking is provided by a revolutionary hydraulic 8-3/4" rear disk brake and supported by a front V brake. The Broadway Pedicab™ comes with a complete 12 volt lighting system including turn signals, running and brake lights. All Main Street Pedicabs use a Shimano 21-speed drivetrain with a rear axle differential and indexed, grip-shifting. The integrated underseat storage is 10"x12"x33". The Boardwalk Pedicab™ is shipped fully assembled and will be an integral part of your Business for generations to come.

Adjustable coil spring shock provides excellent road dampening and a smooth ride for your passengers.

The Broadway Pedicab™ provides seating for three adults. Seats have comfortable (black or tan) vinyl upholstery with padding.

Main Street Pedicabs™ is the largest manufacturer of pedicabs in North America. Main Street Pedicabs™ are mountain-bike-style, tricycles sporting cabs with cushioned seats and available waterproof canopies. The pedicabs are designed to not only provide a fun, comfortable ride, but also, to make a great presentation for sponsors' advertisements. We offer many models to meet your needs. All prices are in USD and are for the base model. We ask for half of the total as a deposit to begin assembly. Balance is due prior to shipping. We accept Bank Checks, Money Orders, Visa and Mastercard. All Main Street Pedicabs™ are made in our Colorado, USA factory at 11811 Upham St. #9 Broomfield, CO 80020.
