

# The **Classic Pedicab™** by **Main Street Pedicabs, Inc.**

The Classic Pedicab™ is a proven combination of utility and value. The classic is our most popular model worldwide!

Reliable engineering and superior workmanship are the hallmarks of the Main Street Pedicab. The Classic Pedicab™ has a strong, TIG-welded 4130 Steel Alloy frame with a black powdercoat finish & heavy duty steel axles. The passenger cabs are lightweight fiberglass with steel sub-frame and are available in a variety of colors with 35.5" seating. The seats have comfortable (black or tan) vinyl upholstery with padding and a seat belt is standard. Braking is provided by a revolutionary hydraulic 8-3/4" rear disk brake and supported by a front V brake. The Classic Pedicab™ comes with a complete 12 volt lighting system including-turn signals, running and braking lights. All Main Street Pedicabs™ use a Shimano 21-speed drivetrain with a rear axle differential and indexed, grip-shifting. The integrated underseat storage is 8"x10"x30". The Classic Pedicab™ is shipped fully assembled and will be an integral part of your home or business for generations to come.

Each Classic Pedicab™ has standard LED tail lights for safety during night operation.

All Classic Pedicabs™ feature a Shimano 21-speed drivetrain with a rear axle differential.

Main Street Pedicabs™ is the largest manufacturer of pedicabs in North America. Main Street Pedicabs™ are mountain-bike-style, tricycles sporting cabs with cushioned seats and available waterproof canopies. The pedicabs are designed to not only provide a fun, comfortable ride, but also, to make a great presentation for sponsors' advertisements. We offer many models to meet your needs. All prices are in USD and are for the base model. We ask for half of the total as a deposit to begin assembly. Balance is due prior to shipping. We accept Bank Checks, Money Orders, Visa and Mastercard. All Main Street Pedicabs™ are made in our Colorado, USA factory at 11811 Upham St. #9 Broomfield, CO 80020.
